

Notice to Patients and Psychologists re giving you patient and registrant safety:

[www.thepsychologist.com.au](http://www.thepsychologist.com.au) is run by a **medical specialist (Dr David Horgan)**. Therefore, this site is run to the **highest ethical standards**.

**Patients:** We are keen to offer you **more information on the psychologist you may wish to see than is available from simple listings** of psychologist names. Our psychologists are asked to give a brief overview of what they offer you, with more details available on their full website under the banner of [www.thepsychologist.com.au](http://www.thepsychologist.com.au). Click on your State to see a full summary from psychologists in your area.

**Psychologists:** We run a number of websites which have been active for years, such as [www.depression.com.au](http://www.depression.com.au) and [www.aids.com.au](http://www.aids.com.au).

**Contact Us:** The **technical** aspects of this site are run by David Horgan, whose contact details with any questions or problems are:
